

Netnod meeting 2026

Working for the good
of the Internet

March 2026

A pillar of financial stability

Brunkeberg ridge

early protectors of the city

safeguarded the community
from disaster.

Brunkeberg ridge today

we are the modern successors to
those watchmen

as committed to our
mission

to safeguard the
digital backbone of our
society.

**Karin
\ AHL**

CEO of Netnod

Anne Lagercrantz CEO of SVT

national public service broadcaster.

challenges facing digital media

our society comes under digital
attack.

the social

Gunnar Strömmer Minister for Justice

law and politics

Center for Justice

a strong legal foundation and a
commitment to our rights and
freedoms.

Their presence here is significant
